

## **Edisto Christmas Parade Rules**

In order to provide an environment that is both enjoyable to onlookers as well as safe for participants, please abide by the following rules:

1. The parade committee reserves the right to refuse participants that do not comply with entry rules as stated below.
2. All units/floats with children must have ample chaperones with them.
3. If you want to distribute candy, gum, trinkets etc. from any unit, we ask for your support in doing this in a SAFE manner. PLEASE watch out for children and others as they retrieve the items that you share with them.
4. Christmas music is encouraged. The more music, the better.
5. The ONLY Santa allowed will be the Official Santa who rides in the Edisto Fire Truck.
6. No smoking in the parade.
7. No littering.
8. All marching units should try to keep moving in the parade line. Performances are limited to 1 minute in front of the judge's stand.
9. All units that include animals need to provide some type of clean-up crew that will ensure the prompt attention to droppings if necessary.
10. We appreciate your support in the past for maintaining decorations and themes that are appropriate for children and our community. Once again, we ask that you continue to use taste and good judgment when designing your entry. Creativity is encouraged and remember that our parade is a family-oriented parade.
11. Have FUN!!!!
