

A WORTHWHILE INVESTMENT

Sponsors each invested \$1,500 to sponsor a turtle which covered the manufacturing cost of the turtle. Additional costs associated with the project were covered by the Edisto Chamber, along with several community partners and project sponsors, to show support for all the non-profit organizations that do so much to give back within our community.

TURTLE TIDE AUCTION GUIDE

Harrison Woodwork

2024

THANK YOU!

This project would not have been possible without the help and support of the community, all of Edisto's visitors, and everyone who showed up to bid on a turtle!
